Formula Three 4 fl. oz.

Manufacturer: Pure Herbs, LTD.

Below is about historical observations and historical data relating to herbs. This document is not intended to be a substitute for medical advice by license physicians. All readers should consult a physician regularly in all matters related to medical problems. This includes the diagnoses and treatment of disease and all other physical and mental conditions.

FORMULA THREE - This life-saving formula was designed for desperate cases, on their last legs, to regain a foothold on life and upon which to recuperate. The best of three energy sustaining herbs are combined here to support the function of each other and, by so doing, increase their combined affect. Together, they are the right team for rescuing those suffering from chronic fatigue and exhaustion. COMBINATION: Licorice Root, Bee Pollen, Siberian Ginseng. DOSE: 40 drops, hourly, as needed. In desperate cases, can be taken at the rate of 1 tsp. to 1 Tbl., 3 times per day, until well. Energy supply to the body is swift. To regain stamina (constant high levels of energy on tap when needed that don't fade out), maintain this level of intake for as long as needed, even if it takes months! Also, each day the person should walk or move a little further, even if the first day is only a few steps or a very short distance.
