HOREHOUND (White-hound) - Horehound is the no-nonsense candy of the pioneers and adventurers that settled the North American Continent; and when you taste it, you will get an idea of what they were like to consider this herb as a candy. It is a bitter mint and an immediate remedy for sore throat, coughs and colds. Its taste is very distinctive, aromatic and medicinal. Whenever heavy, dry, disgusting mucus must be discharged from lungs and respiratory passages, Horehound is the botanical herb of choice; safe, reliable, and effective. It can also be rubbed on the chest and back, then cover up and sweat out the cold and or fever. Take for obstructed menstruation, suppressed urine, stomach ache, wasting away disorders, anxiety, trouble breathing, pain, and to improve circulation and banish red spots under the skin.* DOSE:40 drops after meals, or as often as needed in respiratory problems. Externally, use enough to cover the skin of the chest and back area, as needed, then cover up warmly. Apply to the skin where red spots occur, three to four times per day.*This product has not been evaluated by the Food and Drug Administration.
