Hyssop is a biblical herb. In the Old Testament Psalms 51:7 recommends the use of Hyssop to clean and purify the body. More modern use elaborates on the property of Hyssop as a regulator of blood pressure, the reducer of high blood pressure as well as increased circulation. Hyssop lubricates internal tissue fluids and sweeps away debris to prepare clean surfaces for absorption and elimination, thus, Hyssop is a hygienic herb. Through this action, surfaces of lungs, stomach, blood vessels and all vital body parts are cleaned internally. Hyssop provides one of the most basic approaches that can be taken to restore system functions.\* **DOSAGE:** 20 to 40 drops one to two times per day. **SOURCES:** Alma R.
