Mayapple Extract 4 fl. oz.

Manufacturer: Pure Herbs, LTD.

Below is about historical observations and historical data relating to herbs. This document is not intended to be a substitute for medical advice by license physicians. All readers should consult a physician regularly in all matters related to medical problems. This includes the diagnoses and treatment of disease and all other physical and mental conditions.

MAYAPPLE - This deep woods and wayside umbrella shaped, Springtime blooming plant, not quite knee high, is a familiar sight in much of North America. The Mayapple root corrects the following conditions: bilious troubles (liver-gall-bladder caused vomiting), dropsy (fluid retention), congestion of the liver, constipation, torpid (lazy, polluted) liver, lead poisoning, diarrhea, catarrhal (infected mucus congestion) or malarial jaundice (yellow skin), intermittent and remittent fevers, digestive upsets, headache, rheumatism (joint degeneration), syphilis, venereal warts, scrofula (swollen, infected lymphatics which can result in a variety of tuberculous of the lymph nodes or "filters"), typhoid fever, prolapsed rectum (prolapsus ani), uterine diseases, pin worms, a specific for bad cells of the testicle.* DOSE:40 to 80 drops 3 times per day. If cancer of the testicle, then open capsules of 100 i.u (International Units, a measure of liquid vitamins) Vitamin E and apply to the entire scrotum. Then apply Oil of Cajeput and Herbal Adj. (Adjustment) directly to the skin. Finally, soak a single layer of cheese cloth or absorbent gauze with Mayapple Extract and wrap this around the scrotum. Cover this with plastic sandwich wrap and a cloth and wear with snug but not tight fitting under shorts. Leave on overnight. The next morning, remove the application and discard. Wash the area and allow to dry. Then repeat the application for the daytime. This is an around-the-clock, time release corrective action. Persist until the condition is corrected. Be sure to use with a good bowel program (see Cascara Sagrada, Buckthorn, C.C.E.-W) to carry off the wastes to avoid skin irritation. This same procedure can be followed for other body parts for the other conditions listed above, where practicable. Apply Mayapple to venereal warts as needed.*This product has not been evaluated by the Food and Drug Administration.
