VINCA (PERIWINKLE) - Its brilliant blue flowers can be seen blooming at any time during the growing season, even in very cool climates. Take at the rate of 40 to 50 drops, 3 times per day. It is in the leaves that we find Vinca's healing virtues. Long used as a cure for nightmares and high blood pressure.* It is thought that when a man and wife take the leaves together, it binds them more closely together. Certainly, if it can relieve nightmares, it may also calm marital stresses. Its name, in Latin, means to bind closely together. Vinca is rubbed on muscular cramps, and is used to stop internal bleeding of the nose and mouth.* DOSE:5 to 10 drops, twice per day, for daily use; increase, if necessary, once you are used to the effects of Periwinkle. For nose and mouth bleed, 20 to 40 drops all at one and repeat, as necessary, every 1 to 2 hours. For muscular cramping, gently massage in enough to cover the area and repeat, as necessary, to relax the spasm. For other uses, as given above.*This product has not been evaluated by the Food and Drug Administration.
