Below is about historical observations and historical data relating to herbs. This document is not intended to be a substitute for medical advice by license physicians. All readers should consult a physician regularly in all matters related to medical problems. This includes the diagnoses and treatment of disease and all other physical and mental conditions.

F & F Pure Herbs Liquid Extract used Historically for Flu, Fever by Edna Ford, mucus, decongestant, sick stomach, pain associated with fever. The herb Wintergreen functions as a cooling, aromatic, pain and fever relieving decongestant, and helps eliminate disgusting, infected mucus. Peppermint Oil, its partner, is another powerful aromatic oil with oxygenating, pain relieving, and decongestant qualities. This antibiotic and cough remedy combination must be experienced to truly be appreciated. For more-or-less instant relief from the miserable feelings accompanying flu and fever, try F. & F. Combination as a strong ally in your time of need. NOTE: Shake well before using, as contents have a tendency to separate. COMBINATION: Natural source Oils of Peppermint and Wintergreen, Golden Seal Root, Hyssop, Lemon Juice, Knitbone, Wild Cherry Bark. DOSE: 5 to 10 drops on the tongue as needed*This product has not been evaluated by the Food and Drug Administration.

This product is not intended to diagnose, treat, cure or prevent any disease.
