Clove Oil 15mL By dÅ•TERRA

Manufacturer: dÅ•TERRA

Description

Clove has been used for years in dental preparations, candy, and gum for its flavor and ability to cleanse the mouth, yet it provides a myriad of benefits. Its main chemical component, eugenol, makes it a very stimulating and energizing essential oil that can be used as a warming massage oil. Clove contains powerful antioxidant properties and supports cardiovascular health when taken internally.* As a cooking spice, Clove adds a spicy flavor to any dish or dessert while providing internal health benefits.* One drop can clean the teeth and gums while promoting fresh breath.

Uses

Add one drop to toothpaste to clean teeth and gums.

Place one drop in two ounces of water and gargle for a soothing effect.

Take in veggie capsules to support cardiovascular health.*
