doTERRA Citronella Oil 15mL *Cymbopogon winterianus*

Manufacturer: dÅ•TERRA

Description

From the leaf of a tall grass native to Asia, Citronella essential oil has a crisp, fresh aroma. With powerful pest repellent benefits, Citronella oil keeps creepy-crawlers out of the house and off your skin and clothing. It is an ideal companion for camping, hiking, and trips to the great outdoors. Citronella essential oil works by masking the human fragrances that insects find appealing. Oil components include citronellol and geraniol, which are good for cleaning surfaces in and outside the home. When inhaled, Citronella oil promotes happy, positive feelings. Applied topically, it can be soothing to the skin and scalp.

Uses

Diffuse Citronella oil to ward off insects, especially mosquitoes.

Apply Citronella essential oil to skin with Fractionated Coconut Oil for use as a topical insect repellent.

Add three to four drops in water to clean surfaces.

Diffuse to promote a cheery, optimistic environment.

Use in shampoo and conditioner to boost cleansing while adding shine.

Directions for Use

Diffusion: Use three to four drops in the diffuser of your choice.
