## Echinacea Purpurea 180 ct By Nature's Sunshine

Manufacturer: Nature's Sunshine

### HOW IT WORKS

Active compounds in echinacea include polysaccharides, glycoproteins, alkamides, volatile oils and flavonoids. Several studies suggest that echinacea contains substances that enhance the activity of the immune system and have antioxidant activity.

### RECOMMENDED USE

Take 2 capsules with a meal three times daily.

### INGREDIENTS

Echinacea aerial parts and root.
