### Cautions

For external use only. Possible skin sensitivity. Avoid contact with eyes or on mucous membranes. If contact occurs, rinse thoroughly with water. Donâ€™t use on wounds or damaged skin. Donâ€™t bandage tightly after application or use with a heating pad. Stop use and ask a doctor if irritation or redness occur; nausea, vomiting, abdominal discomfort, diarrhea, or skin rash occur; or pain persists for more than seven days. Consult a physician before use with children under 12 years. Keep out of reach of children to avoid accidental ingestion. If swallowed, get medical help or contact a poison control center immediately.
